### Information Series

Parents, caregivers, other family members and professionals who support children and youth under 18 years of age, recently seen or diagnosed at the Manitoba FASD Centre.

### Topics Include

- What does it mean that my child has FASD?
- How will FASD affect their behavior, school performance and social interactions?
- How can I help others understand my child's disability?
- How can I help my child/youth understand their disability?
- How can I help my child/youth develop their strengths?

Please note that we will be discussing a different topic each week. We encourage you to commit to attend for the entire 8 weeks.
